

A DAY AT THE ARCHIVES

OCTOBER 18, 2016

Spend a day with fellow CNYGS
members exploring at the
Montgomery County Department
 **of History & Archives** 
at the Old County Courthouse, Fonda, NY

10:00am - Orientation Tour

A staff member will lead the group on a tour of the library and answer questions.

The remainder of the day...

is yours to explore. The library is open until 4:00pm.

Make the most of your day at the archives by doing a little advance planning

Consult the library catalog and archival collection in advance of your trip to plan on what to look at during your visit.

[Search the Library Holdings](#)

Do a keyword search on the [Montgomery County website](#) * and click on “search catalog” at the left side of the page. The catalog includes the holdings for the library.

[Search the Archival Collection](#)

The “Search Archives” box will allow you to do a keyword search of the archival collection (this is only a finding aid). If anything of interest is found in the archival collection, it can be **requested for retrieval prior to your arrival**. There may not be someone available to retrieve the items on the day of our visit.
