

Central New York Genealogical Society
PO Box 104, Colvin Station
Syracuse, New York 13205-0104
Website: <http://cnygs.org/>

MEMBERSHIP/RENEWAL FORM FOR CALENDAR YEAR

Any person interested in family history and genealogical research is invited to join the Society. CNYGS meets six times a year (Mar, Apr, May and Sept, Oct, Nov). At each meeting, speakers explain the latest approaches to solving genealogical problems. At least once a year a day-long conference is offered. Other activities may include discussions about great finds or puzzling brick walls and field trips to genealogical libraries. Opportunities exist for participating with others in a variety of interesting Society projects.

Members receive four issues of our professional journal, *Tree Talks*, annually. Your dues also support our website that averages 13,000 visits per year. Members may submit queries of up to 50 words each that will be published on our website. You may also submit up to eight surnames with New York State connections for the Website Surname Project to connect members wanting to share resources about their families. Visit our website, above, for sample submission forms.

Please complete: **New membership** **Renewal - Member#** _____
 Individual membership \$30 Institutional membership \$30
 Family membership \$35 International membership \$45 US
